SUMMARY

Enterprise HR and People Systems Executive operating at the intersection of technology, data, and organizational performance. Experienced in navigating unionized, civil service, and highly regulated environments. Leads Workday-centered HR ecosystems as integrated enterprise platforms, aligning governance, systems, analytics, and employee experience across complex, 24/7 operations. Former workforce strategy and staffing lead for over 50% of a 4,000-employee enterprise, trusted by executives to translate business priorities into scalable workforce systems, continuity of operations, and decision-ready insight. Positions HR as an enterprise platform, integrating systems, data, and workforce strategy to drive organizational performance.

SKILLS

- Workday/Oracle HCM Strategy & Governance
- People Analytics & Executive Dashboards (Power BI)
- AI Enablement (Copilot)
- Workforce Strategy & Staffing Operations
- Employee Experience & Content Platforms
- Cross-Functional Executive Leadership
- HR Technology & Integrations
- Change Management (Prosci/ADKAR)

SIGNATURE IMPACT

- Led enterprise transition from SAP to Workday, establishing HR system of record and governance model
- Owned workforce strategy and staffing operations for 2,000+ employees in a 24/7 critical environment
- Built integrated HR data ecosystem enabling executive-level decision-making
- Bridged HR, Finance, and Operations through system integrations and workforce analytics

PROFESSIONAL EXPERIENCE

Los Angeles World Airports (LAWA/LAX)

2018 – Present

Division Manager - Strategy, Technology, Data & Performance

May *2024 – Present*

- *Staffing and workforce strategy lead for over 50% of the organization, overseeing hiring operations, position management, and workforce analytics for 2,000+ employees across multiple divisions in a mission-critical, 24/7 environment*
- *Owned HR-side architecture, governance, and decommissioning strategy for SAP, integrating SAP with NeoGov during transition and leading the migration of HR systems of record from SAP to Workday*
- *Established Workday as the enterprise HR system of record, defining data governance, integration requirements, reporting standards, and adoption strategy*
- *Leading active integrations between Workday, enterprise ERP, and a new LAWA-specific HCM, aligning HR, Finance, and operational systems during multi-system coexistence*
- *Architected the launch of NeoGov CRM and Applicant Tracking System (ATS), modernizing talent acquisition workflows, candidate engagement, and recruiting analytics*
- *Driving selection and implementation of an Employee Health & Safety Management System, integrating workforce, incident, and compliance data to support enterprise risk management and employee wellbeing*
- *Owned vendor assessments (Oracle vs. Workday); launched an AI-enabled HR Assistant (Copilot); built executive dashboards and Mission Control for enterprise HR governance and visibility*

Assistant Staffing Manager / Section Manager — Workforce & Systems

November 2021 – May 2024

- *Directly managed staffing operations for over half of the organization, leading high-volume hiring, position control, and workforce planning across multiple business units*
- *Oversaw recruiters and analysts supporting mission-critical hiring in a unionized, public-sector environment*
- *Expanded responsibilities beyond staffing to include HR systems governance, reporting, and analytics supporting executive decision-making*
- *Prepared the organization for enterprise HR platform modernization, including NeoGov expansion and Workday readiness*

Senior Analyst / Analyst — HR Systems, Analytics & Operations
February *2018 – November 2021*

- *Launched NeoGov Onboard, digitizing employee onboarding end-to-end and eliminating paper-based processes across HR*
- *Designed and deployed a custom Hiring Portal using Microsoft Power Platform tools, enabling remote hiring workflows and document management*
- *These platforms enabled uninterrupted HR operations during the 2020 remote-work period, sustaining hiring and onboarding when in-person operations were not possible*
- *Promoted to Senior Analyst / Section Manager, leading early digitization of HR workflows and workforce reporting*
- *Completed a cross-functional assignment within the Finance Division (Financial Management Systems), contributing to an executive concessions performance dashboard and supporting a Case Management System RFP*
- *Enabled integrations between SAP, NeoGov, and downstream reporting platforms, establishing foundational data flows later leveraged for the SAP → Workday migration*

Orange Creative Studio — Founder / Creator & Strategic Advisor

November 2014 - November 2017

- Built and scaled digital platforms to 800K+ users, applying analytics, audience segmentation, and platform optimization to drive growth and engagement
- Served as Content Producer and Content Strategist for MiTu, Inc., a leading multi-channel network that evolved into a scaled media company
- Contributed to the launch of WeAreMiTu, a BuzzFeed-style digital media platform focused on culture-driven content and audience growth
- Partnered with writers, producers, directors, and on-camera talent to plan, produce, and distribute content across YouTube, Facebook, and Instagram
- Built and scaled owned and client platforms to 800K+ followers (peaking near 1M), leveraging analytics, audience segmentation, and platform optimization
- Advised emerging media and cultural brands on content strategy, audience growth, and digital distribution; several later achieved significant scale or exits
- Recognized through industry programs including YouTube Next Up and Google NextGen Policy Leader for impact in digital media and creator ecosystems

Los Angeles World Airports (LAWA/LAX)

July 2011 - October 2014

Employee Relations Analyst - *Employee Relations Section*
December 2013 - October 2014

- *Served as a Human Resources Generalist assisting the Information Management and Technology Group.*
- *Performed diverse personnel administration duties in labor relations, staffi ng and hiring, workplace violence, and Equal Employment Opportunity investigations.*
- *Advised and counseled executive staff , managers, supervisors, and employees regarding City Charter, Admin Code, Civil Service Rules, Personnel and Departmental Policies and Procedures.*
- *Conducted discipline investigations, determined appropriate disciplinary action, prepared staff reports and recommendations to appointing authorities.*

Training Analyst - *Training and Employee Development Section*
July 2011 - December 2013

- *Authored, developed, designed, delivered, and presented training courses including Supervisor's Toolkit.*
- *Oversaw the Specialized Training and Tuition Reimbursement Program.*
- *Partnered with divisional Training Coordinators and managers to analyze, assess training needs, and recommend plans of action.*

City of Los Los Angeles Personnel Department
November 2006 - July 2011

Training Analyst and EEO Investigator *- EEO and Employee Development Division*
November 2006 - July 2011

- *Conducted Equal Employment Opportunity (EEO) investigations, including intake, analysis, findings, and documentation in compliance with City policies and applicable laws.*
- *Architected the award-winning Online Training Academy from end to end, including development of the Request for Proposals (RFP), vendor selection, contract execution, and creation of training content.*
- *Designed, architected, and oversaw construction of the Personnel Department's Training and Testing Facility, aligning space, technology, and operational requirements to support Citywide workforce development.*
- *Served as a member of the City's Layoff Team, where I designed and implemented a digital calculation and tracking process that increased efficiency by approximately 90 percent and reduced manual errors.*
- *Instructed Citywide Training and Development Program courses on Equal Employment Opportunity laws, new employee orientation, customer service, office administration, and public speaking.*
- *Coordinated and delivered major Citywide employee recognition and development programs, including the Annual Career Service Awards, Public Service Recognition Program, and Administrative Training and Development initiatives.*
